

Patient ID No.: _____
(If unknown, leave blank)

Date: _____

FINANCIAL POLICY

All professional services rendered are charged to the patient. The patient is responsible for all fees regardless of insurance coverage. Payment for services is due at time of registration.

INSURANCE AUTHORITY & ASSIGNMENT

I request that payment of authorized Medicare/Other Insurance Company benefits be made to Reno Diagnostic Centers for any services furnished me by that party who accepts assignment/physician. All regulations pertaining to Medicare assignment of benefits apply. Patients are responsible for all deductibles, co-insurance, and non-covered services, which is the charge determination of your insurance company.

I authorize any holder of medical or other information about me to release to the Social Security Administration and Health Care Financing Administration or its intermediaries or carriers any information needed for this or related Medicare claim/Other Insurance Company claim. I permit a copy of this authorization to be used in place of the original, and request payment of medical insurance benefits either to myself or to the party who accepts assignment. I understand it is mandatory to notify the health care provider of any other party who may be responsible for paying for my treatment.

OUT-OF-POCKET-PAYMENTS

If you paid out-of-pocket (or in other words, you have requested that we not bill your health plan) in full for a specific item or service, you have the right to ask that your Protected Health Information with respect to that item or service not be disclosed to a health plan for purposes of payment or health care operations, and we will honor that request.

I authorize the release of my films to the referring physician(s) and/or consulting physician(s) as requested.

NOTE: Refusal to sign or initial any part of this form does not necessarily negate patient's financial responsibility for services rendered nor disallow RDC from releasing information as outlined by our Notice of Privacy Practices or as required by law. Consent to receive services is considered to be an implied acknowledgment of and agreement with all notices and consents outlined above.

(If you are signing as a personal representative, documentation of your legal right to do so must be provided.)
